

A Center for Childbirth and Parenting Education

Dear _____,

Date _____

CONGRATULATIONS! You are about to become a big sister/big brother which makes you a very special person! We would like to meet you and show you where your new baby brother or sister will be born and where you can come visit your mom while she is in the hospital. Please bring your favorite doll or stuffed animal so you can learn how to diaper and swaddle it. If you have a picture of when you were a baby please bring one to share. Also, you will be making a birth day card for your baby sister or brother so if you would like to put a picture of how you look today in your card, please bring one! You may get hungry during our time together so please have your adult pack a snack for you to bring. And please ask your adult to attend class with you.

We are excited to see you on _____ at _____ at

UVM Medical Center. Meet us on the Main Pavilion Level 3 by the parking garage elevators at 9:15. Your instructor will meet you there and walk you to the classroom (McClure Lobby Conference Room). The class will be from 9:30-11:30.

Sincerely, _____
